

Happy and you know it

Atgurts'kut qacauski aigaten

If you are happy, clap your hands

Atgurts'kut qacauski aigaten

If you are happy, clap your hands

Atgurts'kut ginarp'ni nunaniqsaagciqukut

If you are happy, and your face shows it, we will all be happy

Atgurt'skut qacauski aigaten

If you are happy, clap your hands
